

BQB

BEST QUALITY BATCHING

Established on October 15, 1990, Best Quality Batching Sdn. Bhd. has grown to become one of the leading suppliers of Ready-Mix Concrete, RC Pile, and Concrete products in Miri.

Our Ready-Mix Batching Plants are certified by CIDB Malaysia to MS206:2016 and CIS21:2018 standards, reflecting our unwavering commitment to maintaining the highest standards in all aspects of our business.

At the core of our company's spirit is a dedication to providing the utmost quality and punctuality to our customers, ensuring that every project we undertake is completed to perfection and on schedule.
